To Whom It May Concern:

This is a notification of asbestos abatement activities to take in the Berlin School District to perform the set-up of containment and removal of asbestos containing floor tile and associated adhesives located in Room 102 in the school referenced above. The materials are currently classified as a proven asbestos containing building material that is non friable.

The school will perform these renovation over summer vacation. The project is expected to start on July 24 and take approximately 8 days to complete (August 2).

**During this time, no children 18 years or younger are allowed in the building. All doors will be posted.**

The asbestos abatement contractor is Haz Pros, Inc. and the project will be monitored by Mystic Air Quality Consultants.

Sincerely,

Brian J. Benigni  
Superintendent of Schools
